

PUBLIC HEALTH DEPARTMENT[641]

Adopted and Filed Without Notice

Pursuant to the authority of Iowa Code section 135.11, the Department of Public Health hereby rescinds Chapter 128, “Dogs for Scientific Research,” Iowa Administrative Code.

This amendment rescinds the rules that pertained to making available for scientific, educational and research purposes unclaimed, unwanted and unlicensed dogs. The Legislature repealed chapter 145B of the Iowa Code effective July 1, 2008. This repeal removes the Department’s statutory authority for the rules.

In compliance with Iowa Code section 17A.4(2), the Department finds that notice and public participation are unnecessary because statutory authority for the rules has been repealed.

This amendment was adopted by the State Board of Health on July 9, 2008.

This amendment shall become effective September 3, 2008.

This amendment is intended to implement Iowa Code section 135.11.

The following amendment is adopted.

Rescind and reserve **641—Chapter 128**.
